
IMPORTANT: To complete your nomination, the following information is required. Please be sure to have all information available before you begin input. All information entered will be lost if you leave the website before selecting SUBMIT to complete your nomination.

- Whether you previously submitted this nominee for the Class of 2017
- Nominee name
- Nominee's status (living or deceased) and date of death (if deceased)
- Contact information of Nominee if living or nearest living relative if deceased
 - Includes name, address, phone number and email address
 - Address details - street, city, state and ZIP code
- Starting and ending dates of service at NACA/NASA Langley Research Center
- Contact information of individual or organization submitting this nomination
- Nominator's name, address, phone number, and email address
- Date of submission
- The Basis for your Nomination. There is a 4,000-character limit on your response (about 600 to 650 words). *It is strongly suggested that you create this Basis for Nomination in a separate editor and then simply cut and paste it in.*

IMPORTANT: Your input data is not saved until you select SUBMIT at the end of nomination form. You can only submit your nomination once. After you begin to fill out the form, if you close the nomination webpage or leave it idle for over 20 minutes prior to selecting SUBMIT, all previously entered information will be lost.
