President's Report

- **Work-in-progress activities:**
 - Colloquium – allowing LAA to participate on-line
 - Langley has had to deal with a variety of other things thus far this year, so the alumni issue has had to be tabled for a bit.
 - It is not clear when the next Colloquium/Sigma will take place.
 - *So the possibility remains we may be able to look into the issue before it becomes directly relevant again. We will if we can.*
 - Weekly Thursday RD Pizza Lunch/Speakers - allowing LAA to participate
 - Michelle Ferebee is looking into whether LAA personnel can attend this activity since the presentations may not have been vetted through STRIVES.
 - STRIVES is not required for internal meetings when the attendees are NASA personnel, contractors, grantees, or partners **who are not foreign nationals** and with the understanding that the STI is not permitted to be redistributed.
 - Request from members to inform LAA on useful resources/topics at meetings/website
 - *Repeal of the Government Pension Offset and Windfall Elimination Provision*
 - National Active and Retired Federal Employees Association (NARFE)

Repeal of Government Pension Offset and Windfall Elimination Provision

Example

History and Purpose

- The Social Security Fairness Act was signed into law on January 5, 2025, and ends the Windfall Elimination Provision (WEP) and Government Pension Offset (GPO).
- These provisions reduced or eliminated the Social Security benefits of over 2.8 million people who receive a pension based on work that was not covered by Social Security (a “non-covered pension”) because they did not pay Social Security taxes.

LAA Benefit: Some LAA members are now eligible for Social Security payments or an increase in the current payment amount.

Member Experience:

- One member who is a Civil Service Retirement System retiree applied for Social Security payments (based on the spouse’s current payments) on March 23. The application was approved and the first direct deposit payment (which included some retroactive ones) was made on April 24.
